

Coating Line Operator

Are you hands-on, detail-oriented, and ready to be part of a team that's passionate about sustainable, high-quality timber products? We have two opportunities to join Abodo, a leader in crafted wood solutions, as our next Coating Line Operators.

Our Values:

At Abodo, we live by our values which shape our culture and guide our actions:

- **Take Pride:** We don't take chances. We ensure we are a reliable supplier of carefully crafted products and services
- **Solve Problems:** We provide solutions to our customers' problems and our own internal problems with a spirit of innovation
- **Propel Change:** Our impact is to make a difference. We go beyond sustainability in the way we work. We leave things better than where we found them
- **Champion People:** Our solid bond helps to create a Better Tomorrow for everyone

About the Role:

As a Coating Line Operator, reporting to the Coating Line Supervisor and as part of a total of 6 in the coating team and 38 in the wider manufacturing team, you will be responsible for the daily execution of coating and brushing orders in our Ohinewai (30 minutes north of Hamilton) warehouse. Working Monday to Friday 7:00am – 3:30pm, you will operate and maintain coating machinery, ensure quality standards are met, and help us deliver beautifully finished timber products to our customers.

Day in the life:

- Operate and maintain coating line machinery including set up, loading timber, colour change and pack down
- Perform quality checks and troubleshoot coating issues
- Maintain accurate production records
- Support continuous improvement and lean warehouse processes
- Champion health and safety practices

About you:

- You will have good knowledge of coating processes – timber industry preferred
- 2 years' minimum experience in a warehouse or production environment
- A forklift licence – ideal but not essential
- NCEA level 3 or equivalent
- Computer skills with knowledge of Warehouse Management systems would be ideal
- You will **Take Pride** in your craftsmanship, reliability and customer focus
- You will **Solve Problems** with innovation and attention to detail
- You will **Propel Change** by improving systems and processes
- You will **Champion People** by supporting teammates and the wider Abodo whanau

Benefits:

- Health care insurance
- Income protection
- Yearly Bonus
- Ongoing training and development
- Work life balance
- Work culture in which you thrive
